PROBLEM STATEMENT

In today's time, no one has time to listen others problems and also people hesitate to share their feelings and stress due to the Increased workload and job demands, economic uncertainty, political and social tensions and health and wellness.

These factors, among others, have led to a growing need for solutions that can help people manage stress and feelings of loneliness in healthy and effective ways.

OUR SOLUTION

Sakha can analyze an individual's behavior, emotional state, and personal circumstances to develop a personalized stress management plan. It is a safe and non-judgmental space for individuals to share their feelings and thoughts, offering emotional support and guidance.
